

SARAH ANN BANKS SWEET DREAMS

BRADBURY ART MUSEUM
SEPTEMBER 14 - NOVEMBER 15, 2023

Sarah Ann Banks is a digital artist based in Brooklyn, New York and working primarily with 3D animation software. She uses the virtual space to build an expansive world full of fantastical objects and creatures. These creations are born from vintage objects, nature, and her own personal narratives. Banks develops stories and personalities that overlap between her works, updating with her own interests and daily life. The content ranges from deer with thick pink lashes to mysterious smoking cauldrons.

Banks received a BFA from the School of the Art Institute of Chicago in 2019. Some of her recent clients include Instagram, Urban Decay, Coach, and Nike.
